

Workforce Innovation and Opportunity Act (WIOA)

NEMO Workforce Development Board

(Local Workforce Development Area #2)

COMPLAINT and GRIEVANCE PROCEDURES POLICY

Welcome to the Workforce Innovation and Opportunity Act (WIOA) Programs. If you are enrolled in a WIOA program or if you are employed as a staff person in an agency administering a WIOA program, you cannot be denied benefits or services, be segregated or treated any differently from other participants or staff, nor be discriminated against in any way on the basis of race, color, sex, sexual orientation, gender identity, religion, national origin, age, , disability, political affiliation or belief, or because of the beneficiary's citizenship status as a lawfully admitted immigrant authorized to work in the United States or for WIOA participation.

This policy describes the complaint and grievance procedures for programs and activities conducted by the Northeast Missouri Workforce Development Board (NEMO WDB) as well as complaints arising from actions taken by One-Stop operator(s), One-Stop partners and/or service providers on investigations, audits, procurements, or monitoring reports.

Four types of complaints are covered by this policy. They are: 1) Discrimination Complaints; 2) Program Complaints; 3) Labor Standard Complaints; and 4) Criminal Complaints.

If a complaint alleges a violation of any statute, regulation, policy, or program that is not governed by WIOA, the Local or State EO Officer or Service Provider may refer the complaint to the appropriate organization for resolution. In such cases, the local administrative entity or service provider will notify the complainant of the referral.

Non-Criminal Complaints

WIOA requires that non-criminal complaints be filed within one (1) year of the date of occurrence. An opportunity for informal resolution and impartial hearings must be conducted within 60 days of the receipt of the complaint if resolution cannot be reached during the initial investigation or review.

COMPLAINANTS RIGHTS

DISCRIMINATION COMPLAINTS

Applicants, eligible applicants, participants, applicants for employment, employees and members of the public, including those with disabilities, and unions or professional organizations holding collective bargaining or professional agreements with the NEMO WDB (or its sub-contractors) may file discrimination complaints using the following procedures. Exhaustion of the local and state's administrative remedies is recommended for expediency in complaint resolution.

EQUAL OPPORTUNITY IS THE LAW

It is against the law for the NEMO Workforce Development Board, recipient of Federal financial assistance, to discriminate against any individual in the United States on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, political affiliation or belief; and against any beneficiary of programs financially assisted under Title I of the Workforce Innovation and Opportunity Act (WIOA) or on the basis of the beneficiary's citizenship/status as a lawfully admitted immigrant authorized to work in the United States, or his or her participation in any WIOA Title I financially assisted program or activity.

The NEMO WDB shall not discriminate in any of the following areas:

Deciding who will be admitted, or have access to any WIOA Title I financially assisted program or activity; providing opportunities in or treating any person with regard to, such a program or activity; or making employment decisions in the administration of, or in connection with, such a program or activity.

A DWD or Local Program Operator employee who takes a discrimination complaint must immediately route the complaint to the Local Equal Opportunity Officer or the State Equal Opportunity Officer. Immediately upon receiving and logging the complaint, the local EO officer will forward the complaint to the State EO Officer for determination of jurisdiction and further processing.

WHAT TO DO IF YOU BELIEVE YOU HAVE EXPERIENCED DISCRIMINATION

If you think that you have been subjected to discrimination under a WIOA Title I financially assisted program or activity, you may file a complaint **within 180 days** from the date of the alleged violation with either:

PROGRAM (GENERAL) COMPLAINTS

General complaints may be filed up to one (1) year from the date of the event or condition alleged to be a violation of the WIOA.

The General Complaints fall into two categories:

1. Complaints involving local WIOA programs, agreements, or local Workforce Development Board policies and activities; or
2. Complaints involving State WIOA policies, programs, activities, or agreements.

If you believe that, you have been unjustly denied any benefit or service allowed under the Workforce Innovation and Opportunity Act, or have reason to believe a violation of the Act, its regulations or any agreement under the Act has occurred, a complaint may be filed as outlined in these procedures. Complainants are encouraged to attempt to resolve the alleged violation at the local level by following the grievance procedures of his/her employer or work site. Division of Workforce Development (DWD), NEMO Workforce Development Board (NEMO WDB) and its One-Stop Operators will not discharge, intimidate, retaliate, threaten, coerce, or discriminate against any person who files a complaint, opposes a prohibited practice, furnishes information, assists, or participates in any manner in an investigation or hearing.

A complaint may be amended or withdrawn at any time prior to a scheduled hearing.

All complaints will be kept confidential to the extent possible as well as the identity of any person who furnishes information related to the complaint, or assists in the investigation.

Informal resolution prior to the filing of a written complaint is encouraged. If the complainant is not satisfied with the attempt at informal resolution, he or she should proceed with filing a written complaint. **The form (DWD-104)** can be found at www.jobs.mo.gov/dwdeo. The form is available in Spanish on the website and other languages are available upon request.

NON-PARTICIPANT COMPLAINTS

In addition to participant grievances, complaints alleging a violation of the Act, federal regulations, the Local & State's contracts and issuance's, grants, or other agreements as well as those arising from actions such as the procurement of goods and/or services, audit disallowance's, or the imposition of sanctions taken by the Governor with respect to audit findings, investigations or monitoring reports may be resolved through these procedures.

WIOA permits program operators, contractors, grantees, sub-grantees, sub-recipients, to complain through their employer's grievance Steps 1 and 2 of this policy. If the employer's procedure is used, the time frames and steps contained therein will be adhered to.

COMPLAINT FILING

Local procedures (Step 1 of 2 of this policy) must be exhausted to the State. Likewise, State level procedures must be exhausted before escalating the complaint to the Department of Labor (when applicable).

Your complaint must be submitted in writing and signed. It should include your name, address, and telephone number, a description of the complaint incident(s), names of those responsible (or organization responsible), when, where, and what acts are the basis of the complaint, and relief that is sought. Complaints should be filed immediately after the complaint incident so that your rights will not be jeopardized due to untimely filing and so that the complaint may be promptly resolved. All time frames in this policy refer to calendar days.

For all non-employment related grievances or if a participant is unable to satisfactorily resolve any employment related grievance with his/her employer, the participant must utilize the procedure contained in this policy to seek further resolution.

STEP 1

Any organization or individual who has a complaint arising in connection with the WIOA programs should contact **Sheila Jurgesmeyer, Equal Opportunity Officer at the NEMO Workforce Development Board**. The local administrative entity or service provider will attempt to informally resolve the complaint to the satisfaction of all parties. The informal resolution must be completed within ten (10) business days from the date the complaint was received. When a service provider attempts the informal resolution, the service provider will forward the complaint file to the Local Equal Opportunity Officer. The Local Equal Opportunity Officer will review the file and investigate further, if necessary.

STEP 2

If an informal resolution fails, and a review is requested, the complainant will file the grievance in writing with the NEMO WDB. The NEMO WDB Equal Opportunity Officer will issue a determination within twenty (20) days from the date the complaint was filed. If the complainant does not request an appeal of the determination, the complaint is considered resolved. Any party dissatisfied with the determination may request a hearing within seven (7) calendar days from the date of the determination.

STEP 3

The NEMO WDB must ensure that a qualified hearing officer conducts an impartial hearing, within forty-five (45) days from the date the complaint was filed. The complainant, respondent, and any other interested party, will be provided with a written notice of the date, time and place of the hearing at least seven (7) business days prior to the hearing so that all parties have the opportunity to present evidence and to be represented by an attorney, and the appeal process outlined in Step 4 of these procedures. If possible, a licensed attorney, authorized to take sworn statements, will be utilized to conduct impartial hearings. All testimony will be taken under oath or affirmation and will be recorded in either writing or by audiotape.

Employers must have a grievance procedure relating to the terms and conditions of employment for participants funded under WIOA. Employers may operate their own procedure or they may utilize those of the local area. Employers shall inform participants which procedure to follow when the participant's begins employment. Participants may request a local area review of an employer's decision with appeal rights to DWD should the local area render a disputed decision.

The hearing officer is to present a written decision to the NEMO WDB within fourteen (14) days of the hearing. The hearing officer will also concur with the Chief Local Elected Official toward reaching consensus on the recommended resolution to the complaint. If consensus cannot be reached, the hearing officer will initiate a request to the state for resolution. The NEMO WDB must issue a written decision within sixty (60) calendar days of the original filing of the grievance. If the NEMO WDB fails to issue this written decision to the complainant within (60) days from the date the complaint was originally filed, or is dissatisfied with the final decision, the complainant has the right to request a State review under the procedures outlined in Step 4.

STEP 4

If the decision fails to satisfactorily resolve the grievance, or any party who has not received either a final decision or a resolution within sixty (60) days from the date the complaint was filed, may request an appeal. The appeal must be received by Danielle Smith, State EO Officer, Division of Workforce Development, 421 E. Dunklin, PO Box 1087, Jefferson City, 65102 within ninety (90) days from the date the complaint was filed. The review process performed by DWD may be conducted by, (a) its own staff, (b) a licensed attorney through an impartial hearing or (c) any other means of independent review or investigation. DWD will provide a written final decision to the complainant within **sixty (60) days** of the date the request for review was received.

Nota bene: local or state level resolutions cannot be characterized as an alternative to the federal process and the complainant should be aware that he/she has a 180-day time limit from the alleged violation to file discrimination complaints with the Secretary of Labor.

APPEALS TO THE US DEPARTMENT OF LABOR SECRETARY (USDOL)

Should DWD either fail to issue a written final decision within **sixty (60)** days of the request or deliver an adverse final or appeal decision, the complainant may request from the Secretary of the United States Department of Labor, a determination as to whether reasonable cause exists to believe that the Act, or its regulations have been violated. This request must be filed within **sixty (60)** days of the date the final decision should have been issued from DWD. Appeals must be filed within one hundred and twenty days (120) of the complainant's filing of the grievance with the State, or filing of the appeal of a local grievance with the State. All appeals must be submitted by certified mail, return receipt requested to:
