

# MOJOBS

Missouri's Job Search Resource

A proud partner of the  americanjobcenter network

## Looking for a Job?

Search for a job any time of the day or night from anywhere with internet access! MoJobs, the NEW job matching system at [jobs.mo.gov](http://jobs.mo.gov), will track your activity, save you time waiting in line, and help you streamline the search for your next job.

## Build a Résumé

This feature allows you to create a professional looking résumé step by step. Use it to gather essential background details, arrange skills, employment history, education and other critical information. Résumés can be stored and posted online for prospective employers to view. You can also import your existing résumé from a variety of formats and use that data to perform targeted job searches!

## Review Labor Markets

Not sure if the job you are thinking of is a good fit in your area? The new MoJobs matching system can help you review the labor market in any region, by occupation or industry, increasing your chances for success.

## Targeted Job Search

Search jobs based on specific criteria such as:

- Occupation
- Industry
- Skills
- Salary
- Employer Name

## Save your Search

Set up a search that runs periodically to find any new job postings that fit your specific criteria.

Results go to your message box, your email or even your cell phone as a text message. You can also search manually using MoJobs!

## Find Your Local Job Center

Not sure how to get started with your job search?

Whether you've lost your job, are looking for a new job, or ready to start your first job, we're here to help. Find your local job center here: [jobs.mo.gov/findcenter](http://jobs.mo.gov/findcenter)

## Explore Training Options

View current training providers and programs online. MoJobs can help you identify training programs to learn new skills or prepare for a new career.

You can compare training providers side by side based on tuition, fees, wages, and rates of completion and placement.
